

Arbutus Ridge

WELCOME TO ARBUTUS RIDGE

We hope you enjoy your visit to our beautiful adult seaside community. If you are using the common property facilities, we would appreciate your host accompanying you, or your host can provide you with guest tags to identify you as visitors. There are some additional restrictions for children under 16 - please check with your host or a Security staff member if you are unsure. In the event that you are on your own (such as taking an after-dinner stroll), you might be asked by a Security Officer to identify yourself. We hope you will not take offence if this occurs - Arbutus Ridge residents place a high priority on safety and security.
